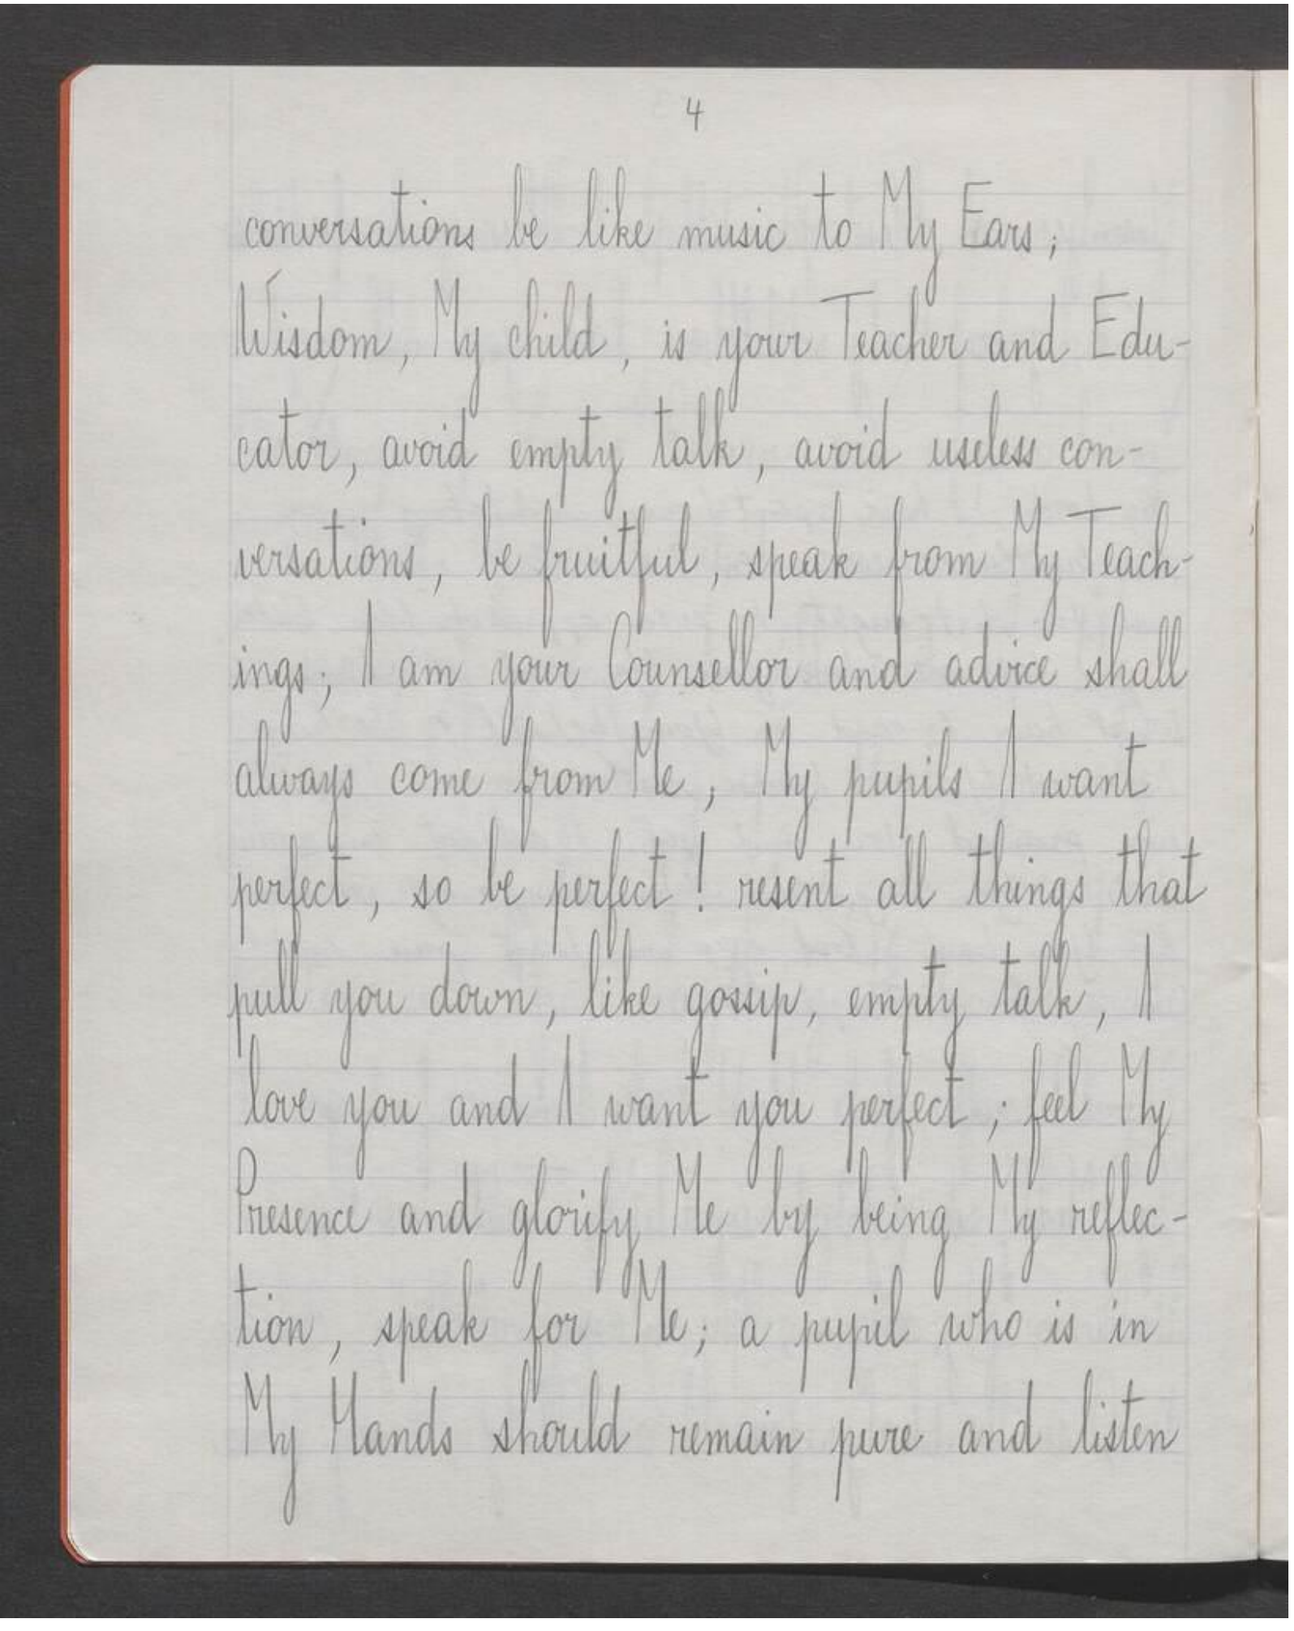
My Lord, I have spent hours meditating upon the fruitless conversation I had last night. I was too distraught to even approach You. Later on I did not dare face You, out of shame... What have I said on Your behalf? Nothing. I failed You... I have neither honored You nor praised You and yet, I delight in nothing but in You my Lord. I am pining away with love for You Lord. God keep my heart pure and away from temptations.

My Vassula, feel this love I have for you... My Mercy is Great and My Tenderness has overcome My anger, My Ways are Holy, daugh-ter, so be holy for I am Holy, may your



conversations be like music to My Ears;
Wisdom, My child, is your Teacher and Edu-
cator, avoid empty talk, avoid useless con-
versations, be fruitful, speak from My Teach-
ings; I am your Counsellor and advice shall
always come from Me; My pupils I want

pull you down, like gossip, empty talk, I
love you and I want you perfect; feel My
Presence and glorify Me by being My reflec-
tion, speak for Me; a pupil who is in
